

5109 EL DORADO DR.

TAMPA, FLA. 33615

Feb. 22, 1977

Dear Mr. Harold Weisberg,

I wrote you the first
time in the fall of 1975,
and sent you a newspaper
clipping concerning your
newly released, Excellent!, book
POST MORTEM.

I am enclosing a check
for \$6.50 for Whitewash: The
Report on the Warren Report.

In the fall ^{of '75}, I attempted
to have an article published
in the Tampa Tribune
disputing the Warren Report,
but was told, I lacked
"Credibility", since I haven't
written a book, etc.

I am discouraged but

OVER

not shocked that the
Tampa Tribune could
publish an editorial
so lacking in good judgement.
I enclosed it for you.

I still have faith that
your hard work will
bear fruit of truth ^{for our} country.

Also enclosed is a
series on the "Tampa Connection"
in this involved story. I
cannot find the last
installment, but will
try to get a copy from
the library.

Sincerely,

Barbara Golvin Kinney

P.S.

Recently on the
Merv Griffin show,
Mort Sahl was on
promoting his new
book, and he said
that he has a
television tape of
Jimmy Carter saying
"if" he ever became
president, he would
release information
held in the National
Archives on the Kennedy
Assassination. I think
President Carter should
be reminded, especially
since he has to keep
to his promises!
